

MILAN STERKENS

About me

My name is Milan Sterkens, I am 21 years old and a second grade student at Thomas More University in Geel doing the Cloud & Cyber Security path.

In my spare time I am often building electronics/IT projects and practicing my cyber security skills. At home I have built my own server. I enjoy working with Linux and Windows. Network administration and Cyber Security really appeal to me.

Education

Thomas More Geel

Bachelor Electronics-ICT (Cloud & Cyber Security) 2020-2023

HT20 Turnhout

Electronics-Electricity 2018-2020

Industrial Sciences 2015-2018
